For gifts of long-term appreciated securities, the value of your stock will be the average market value of the securities on the day the Program receives them in good order. For mutual funds, the contribution is based on the closing net asset value on the day the contribution is received. All non-government money market shares will be redeemed and applied as a cash donation. The amount invested in your account is the proceeds from the sale of the securities minus the brokerage commission and all other applicable fees.

### 3 DELIVERY INSTRUCTIONS
